Memorandum for the Log

28 August 1951

6. 1. Discussed with Mr. Dulles the legal aspects of his occupying the position of the Deputy Director of Central Intelligence. He indicated he would accept the salary of the position and terminate the previous arrangement. Mr. Meloon and Mr. Wolf were advised of the above. *Mr. Meloon was requested to prepare necessary papers.*

25X1 2. Discussed with [ ] briefly the proposed statement of functions of the Commercial Staff previously furnished this office. 25X1 [ ] advised there was a new statement which he would request Mr. Carey to bring to his office tomorrow in order to receive specific comments of this office.

25X1 3. Mr. Wolf [ ] requested this office to take initial steps to prepare papers on the charter or lease of an airplane from a private individual. It was indicated to [ ] that there were possible difficulties since it appeared the individual was a prospective employee. However, this office will study the matter with a view to proposing alternative methods if necessary. 25X1

25X1 4. [ ] after discussion, requested this office to furnish him with a proposed authorization to be placed in the CFR's authorizing final action by DD/A in certain situations where the DCI's signature is now required. The authorization will be concerned only with administrative methods and will include an appropriate dollar limitation. 7.

25X1 5. On behalf of OPC, there was presented an agreement with an individual who is employed by another Government agency. The case falls under Paragraph 7.3 of the CFR's and requires the ADD/A(S)'s approval. The agreement had been approved by [ ] and this office. Mr. [ ] approved the entire matter which will be returned by hand to OPC. 25X1

8. 6. This office was requested orally by [ ] to advise him on the legal aspects of Mr. Jackson, in his new capacity, voting on matters before the Project Review Committee. A memorandum on the subject is being prepared. 25X1
